Leading by Example

Northern New York Community Foundation
Biennial Report 2009 and 2010

Like the tree that symbolizes it, the Community Foundation adapts to the changing seasons. It is strong, yet flexible. Its roots run deep and its branches reach far. It requires vision and faith by those who planted it. Continual feeding, watering and nurturing will allow it to endure and grow to realize its full potential.

Leading by Example

As President of the 2010-11 Board of Directors, I am very pleased to present the 2009 and 2010 Biennial Report of the Northern New York Community Foundation. Through the years, this historical journal has summarized the Foundation's work. The many people we meet, organizations we work with and college students supported by the Foundation grace its pages as a constant reminder of the generosity and kindness of the many people who support the Foundation. As a board, we remain humbled by the capacity of North Country people to help their neighbors.

Kenneth J. McAuliffe
Northern New York Community Foundation Board of Directors President, 2010-11

Since our last edition in 2008, much has happened to our organization, community and country. The unfortunate and sad passing of former Executive Director Alex Velto and economic difficulties our nation experienced brought significant challenges to the Foundation. I'm pleased to tell you through your help and support the Foundation continues to follow in the footsteps of those who have gone before us in keeping the promises of the Foundation's mission.

The theme of this year's report, "Leading By Example," is an appropriate one in so many ways. In the pages that follow, you will find many examples of how individuals and organizations took responsibility to help make their community stronger. At the heart of any successful community project is a person or organization leading by example. The very essence of our democracy depends upon the willingness to step forward to help others succeed.

The joy of serving on the Board of Directors comes in seeing what caring people can do with a little bit of help and encouragement. I hope you will enjoy this year's Biennial Report and see reflected in these pages hope, the building of dreams and the strong "can do" spirit of our North Country. Thank you for "Leading By Example" in any endeavor, large or small, that helps our North Country community and its citizens prosper.

Kenneth J. McAuliffe

“Alex saw good in everyone and never tired of looking for ways to serve others. Many have benefited from the good work of this honorable, caring and community-spirited man.”

Leading by Example: A Tribute to Alex Velto

On December 17, 2009, the North Country lost one of its most staunch advocates. Alex C. Velto became executive director of the Northern New York Community Foundation in 1992. Over seventeen years, he transformed the organization in ways that will continue to benefit North Country residents for years to come. He was a champion for the less fortunate, and was instrumental in helping direct assistance to improve the quality of life for all the area's citizens.

Alex was also a great mentor, and he was passionate about the work that could be accomplished by a community foundation. He understood the challenges of students pursuing their dreams of higher education, especially those returning to school to better themselves. His life was about helping others - through the grants and scholarships he administered, through the advice and counsel he provided, and through his clear desire to see good projects and good people succeed.

While his legacy continues in the good work of the Community Foundation, it also lives through the ongoing good work of the individuals and organizations that benefited from his guidance. He is missed each day. The gifts he gave to us are many, and we look to his legacy as an inspiration to forge our own.

Two days before Alex's untimely death, the Foundation's board of directors established the Alex Velto Community Fund "in recognition of Mr. Velto's dedication and commitment to the Northern New York Community Foundation and his steadfast efforts to positively impact the lives of the citizens of the North Country." Fortunately, the Foundation was able to make Alex aware that this had been done in his honor.

In creating the fund, the board allocated $10,000 in seed money. Since then, through the contributions of many, the fund has grown to over $60,000. We thank all who have contributed to the fund. (A listing can be found on page 48). Gifts to help grow the Alex Velto Community Fund can be made to the Northern New York Community Foundation. This permanent fund will be a tangible symbol of Alex's legacy and his tireless efforts on behalf of the Foundation and the community. We will work in conjunction with Alex's family to award grants that are consistent with the spirit in which he led his life.

2009-2010 Highlights

- **Over $2.4 million in community grants were awarded.** An additional $660,000 in long-term grant commitments were disbursed, including payments toward the Foundation's $1.5 million grant to Samaritan Medical Center, $150,000 grant to the Fort Drum Regional Health Planning Organization, $100,000 grant to public television (St. Lawrence Valley Educational Television), and $45,000 to North Country Public Radio.
- **Scholarships totaling $1,380,538** to over 692 students were awarded from 2009 to 2010.
- **43 new permanent funds were established** by individuals, businesses and organizations to achieve a variety of donor objectives.

My two-year term as President of the Northern New York Community Foundation presented the Board of Directors and me with challenges and opportunities that no one could have predicted. I am proud of how well we met those challenges and made the most of those opportunities. Enthusiasm is strong and hopes are high as we focus on the Foundation's future. We are succeeding in our goal to promote a greater sense of philanthropy within the communities in our tri-county area. I am confident the decisions the Foundation makes in support of future programs and initiatives will continue to uphold our tradition of promoting broad scale change in our region.

Bernard H. Brown, Jr.
Northern New York Community Foundation Board of Directors President, 2008-10

- **We maintained our scholarship budget,** despite economic uncertainty. In 2011, our scholarship awards will exceed $700,000 for the first time in the Foundation's history.
- **Established a Youth Philanthropy Council** in partnership with Watertown High School. The 14 members of the Council recommended grants totaling $5,000. In 2011, they will have the opportunity to award $7,500 in community grants.
- **Formed a St. Lawrence County Advisory Council** to help guide grantmaking efforts. Over the last four years, over $400,000 in grants have been made and $120,000 in scholarships have been awarded in St. Lawrence county.
- **Established the Spirit of Philanthropy Award.** This award will be presented periodically to recognize individuals or organizations whose achievements exemplify a commitment toward helping and inspiring others through the spirit of giving.
- **Renewed the Friends of the Foundation Fund.** Over $50,000 in gifts were made to this fund in support of the Foundation's programs in 2010.
- **Expanded the Foundation's grantmaking committee membership** to include more community input and participation.
- **Awarded first Alex Velto Community Fund grant.** This permanent fund, established in 2009, honors the Foundation's former executive director.
- **The River Fund was established** by the family of Everett Foster. This fund is being built and added to by many donors and will become a resource for organizations of the River communities in perpetuity.
- **The Foundation's Facebook page launch** extended the reach of the Foundation's communications.

Samaritan Medical Center

Total Grants to Samaritan Medical Center between 1983 and 2010:

$1,954,142

"We hold among our core beliefs that excellent, successful health care is an essential component of the quality of life that we all enjoy in Northern New York. The Foundation understood the challenges that Samaritan Medical Center faced, including space limitations, parking issues, operating rooms that had been designed over 30 years ago and an emergency room that was handling nearly double the number of visits that it was designed for. We hoped that our gift of $1.5 million would be an inspiration to others. And like everyone else, we were thrilled with the outcome of a magnificent new facility."

Philip Sprague,
Community Foundation Board Member (1998-2008)

"The Foundation's support for Samaritan's recent expansion helped to meet the healthcare needs of the North Country not only for the moment, but for generations. The state-of-the-art facilities in the new pavilion will allow the physicians of the area the opportunity to practice 21st century medicine and meet their patients' needs close to home."

Daniel Villa,
Samaritan Medical Center Board Member

from 1965 to 2010:
$424,712

"From the seed money that initiated the momentum for our 1972 library expansion to the lead grant in 2004 for the restoration and renovation project, the Foundation has continually recognized that our library is not only an historical treasure to be preserved, but a dynamic, growing force in our community. We are honored that the Foundation continues to view the library as an important and valuable asset that strengthens the cultural fabric of our community."

Maxine Quigg,
Flower Memorial Library Board Member

"The Foundation Board was very aware of the importance of the library to the North Country. The library was viewed as one of the most significant treasures and cultural assets of the community. At the time, $100,000 was the largest single gift the Foundation had awarded. I am fully aware of the success of the project for our community. Not only did the library accomplish the objectives it set out to fulfill, but the addition continues to be a key community asset."

$380,000

"I was especially pleased that the Foundation supported the campaign to renovate the Clayton Opera House. Not only was an historical building beautifully restored, but the Thousand Islands Performing Arts Fund is making major contributions to the quality of life in Northern New York. The Opera House is a perfect venue for talented musical performances. We're truly fortunate to have this fine facility."

Lee Clary,
Community Foundation Board Member (2000-2010)

"The Foundation has been instrumental in the success of the Thousand Islands Performing Arts Fund. Along with the support of our annual programming, we received a $60,000 grant for the restoration of the Clayton Opera House. Since the completion of that project, thousands have been able to enjoy quality performances of all genres, making the Opera House a hub of Clayton's revitalization."

Peter Colello,
Thousand Islands Performing Arts Center Board Member

"The Foundation's 2006 establishment of the Sidney T. Cox Memorial Concert Fund to benefit TIPAF is an enduring gift that has provided audiences with years of uplifting musical experiences."

"Through the years, the Foundation has empowered our community to find hundreds of ways of improving itself. There is simply no other privately funded organization in our region that has had a greater impact for good. The Foundation has leveraged millions of dollars for critical projects, provided inspiration and financial support for the best and brightest of our community and remains a beacon for community development for all to follow. How do we place a value on the Northern New York Community Foundation? It is easy, just look around and marvel at what the Foundation has been able to accomplish for all of us."

Neighbors of Watertown

Total Grants to Neighbors of Watertown: from 1988 to 2010

$86,893

"The Foundation has provided critical match and startup monies to Neighbors of Watertown, including the homebuyer education course, which led to us becoming certified as a housing counseling agency and establishing a home ownership educational classroom. Over 400 first time homebuyers in a three-county area have been provided education and counseling."

Gary Beasley,
Neighbors of Watertown Executive Director

"The Foundation has always been the strong partner in projects of community importance. The Franklin Building (YWCA) is yet another example of how a partnership with the Foundation, together with public monies, can revitalize a community. The Foundation's support for the North Country Arts Council has enabled an important commercial space on Public Square to become occupied and at the same time added to the vitality and viability of the Franklin Building renovation. This success of our project at Neighbors of Watertown is much enhanced because of the Foundation's support."

Advisor Information: A Word of Thanks

The Northern New York Community Foundation recognizes the importance of professional advisors in the charitable gift process. Your work is a valuable part of our long-term success and the resulting impact on the region. One of the simplest and most important questions you can ask your clients is the giving question – *"Are there charitable or community needs you would like to consider in your estate planning?"*

Charitable giving offers specific tax benefits that can assist your clients in achieving financial, personal or business goals. By giving through the Northern New York Community Foundation, your clients can receive the full benefit of their contributions while supporting the charities of their choice, now and in the future.

With over 80 years of experience, the Community Foundation is a center for charitable giving in the region. Whether your clients are interested in building a tradition of family involvement in charitable giving or in finding an alternative to a private foundation, we can help you address their interests and goals. Since the Foundation is both permanent and flexible, donors are assured that the spirit of their gifts will endure.

The Foundation provides numerous options for establishing charitable funds based on your clients' interests and desired level of involvement. Through a variety of gift planning options, we can help you serve your clients in developing bequests, funds and trusts that will carry out their unique charitable objectives.

For more information or to request a copy of the Advisor Information Packet, please call the Northern New York Community Foundation, 315-782-7110. The packet covers a range of topics, including what assets donors can use to make a gift, the types of funds and deferred giving options available through the Foundation, and the tax benefits of gifts to a community foundation.

Jefferson County Historical Society

Total Grants to the Jefferson County Historical Society from 1965 to 2010:
$271,391

"The Foundation has a long history of supporting cultural organizations such as the Jefferson County Historical Society. I am delighted that we helped bring some wonderful exhibits to the community while I was serving on the Foundation's board."

Janet George,
Community Foundation Board Member (1994-2004)

"The Jefferson County Historical Society has been the beneficiary of several grants from the Foundation. We used the money for critical capital improvements, which would have otherwise not been addressed. We are fortunate to have the Foundation, which turns caring into commitment. The work of the Foundation remains one of the major examples of what makes the North Country a special place to live."

Roxanne Burns,
Jefferson County Historical Society Board Member

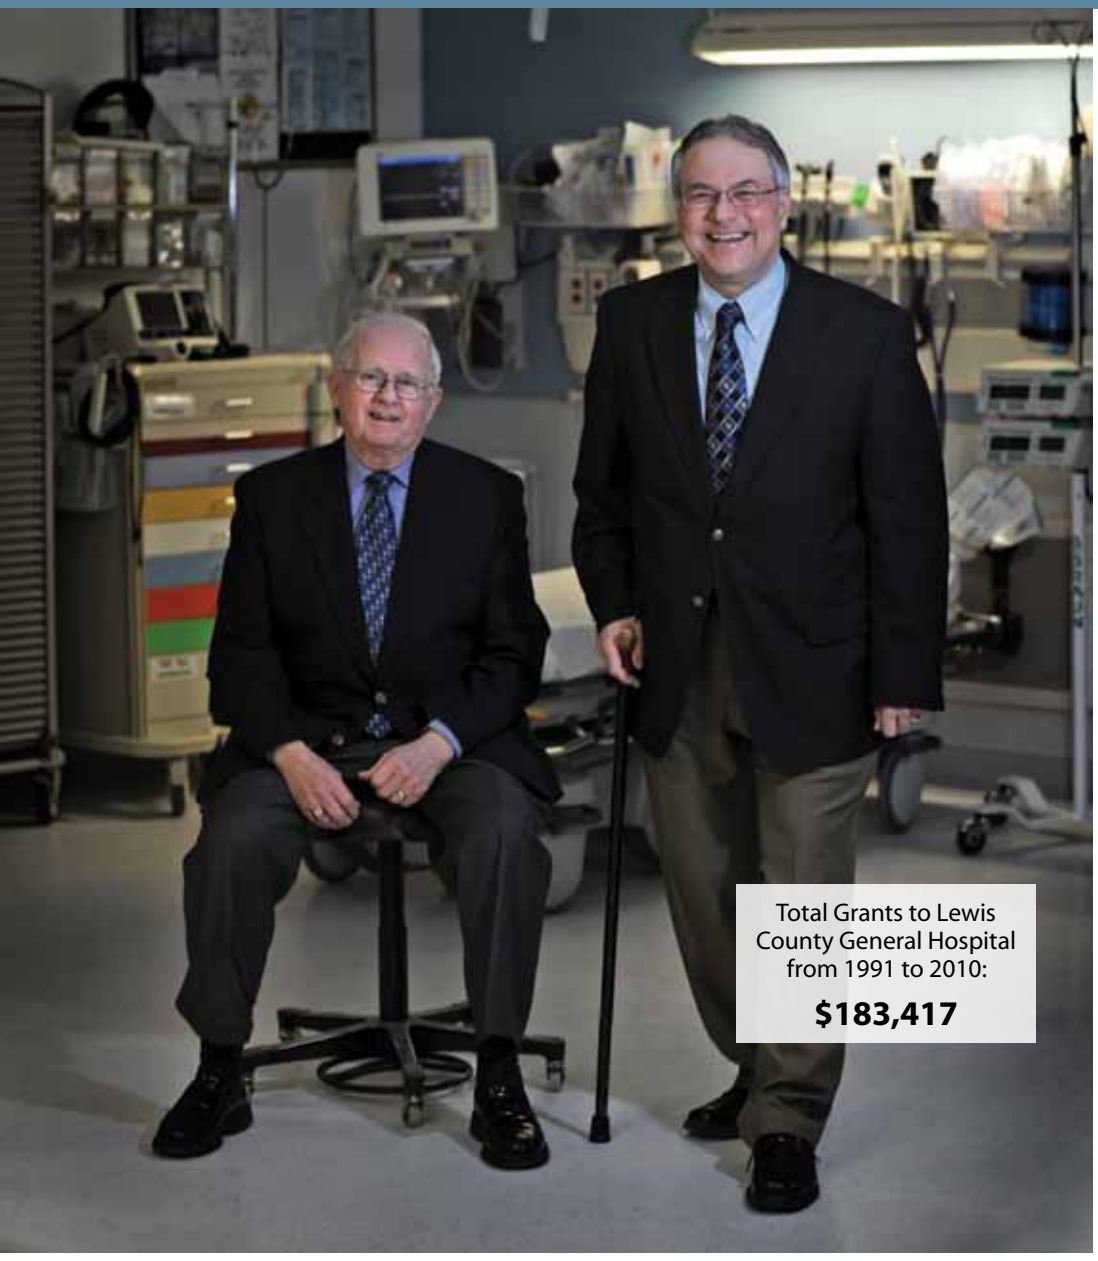
Lewis Country General Hospital



Total Grants to Lewis County General Hospital from 1991 to 2010:

$183,417

"There was a tremendous need for upgrades to the emergency room at Lewis County Hospital. The Foundation's contribution was critical to the Hospital and Lewis County."

Douglas Brodie,
Community Foundation
Board Member (1999-2009)

"The Foundation's support of our first Capital Campaign was a significant building block in our fund-raising efforts. A grant of $150,000 was used for cardiac related equipment in the planned emergency department project. At the time, this was the largest gift our Hospital Foundation had received. Since the addition of this equipment in 2007, approximately 7,300 patients have been placed on the monitoring system throughout the emergency and diagnostic radiology areas."

"When I received the scholarship, it showed me the Foundation's investment in local students. When I returned to the area, I learned how the Foundation takes the lead in funding major projects that touch the lives of all North Country residents."

Jason F. White, M.D.

In 1992, Jason F. White received a scholarship from the Northern New York Community Foundation. After graduating from Watertown High School, he earned a degree from Cornell and completed studies at SUNY Upstate Medical College in 2001. After a brief time away from the area, Jason and his family returned to the North Country in 2004. Dr. White is a board certified family physician with Internal Medicine of Northern NY in Watertown. He is also involved in a variety of ways that help shape the region for the better.

Jason's older brother Scott, also a Watertown High School graduate, received a scholarship from the Foundation in 1990. He graduated from the University of Scranton in 1994, where he majored in finance.

Jason and Scott are two of the countless examples of the return on the community's investment in scholarships administered through the Foundation. We are proud to list them as "ours."

St. Lawrence Valley Educational Television Council (WPBS)

"The Foundation answered our request to assist in the installation of our two towers and later awarded a $100,000 grant to assist us in meeting the federal mandate to convert to digital television. WPBS is now providing three digital streams of programming to the citizens of the North Country. We are indeed a fortunate community to have visionaries among us who believe that we should not be denied access to the arts, culture and educational opportunities because of where we choose to live."

Thomas Hanley,
WPBS President & General Manager

"WPBS Television has provided educational and cultural programming to the residents of the North Country for over fifty years. This past year the Federal Communications Commission required all television stations to convert their broadcast equipment to new digital technology. It was only through a generous grant from the Northern New York Community Foundation that WPBS was able to complete this conversion and remain in operation to continue to serve the residents of the North Country."

Jay Boak,
WPBS Board Member

Youth Philanthropy Council

"I know that every individual on the Council will take away a great amount from this experience, partially because being taught something will almost never be as beneficial as learning it for yourself."

In the spring of 2010, the Foundation Board allocated $5,000 in funds for fourteen Watertown High School students to distribute in the community. Members of the Council agreed that the decisions were not easy and they would have liked to have helped all nine organizations that applied. Beyond an increased awareness of the various community needs, these young adults learned valuable lessons in leadership and giving back.

"To watch, listen and guide this group on their way toward becoming the community leaders and philanthropists of tomorrow gives one confidence in the future of our community. They displayed intelligence, maturity and sophisticated insights as they determined how to best utilize their grant allocation. The Foundation has made a valuable investment in our community's future with these wonderful young people and that investment will only grow and flourish in the years to come."

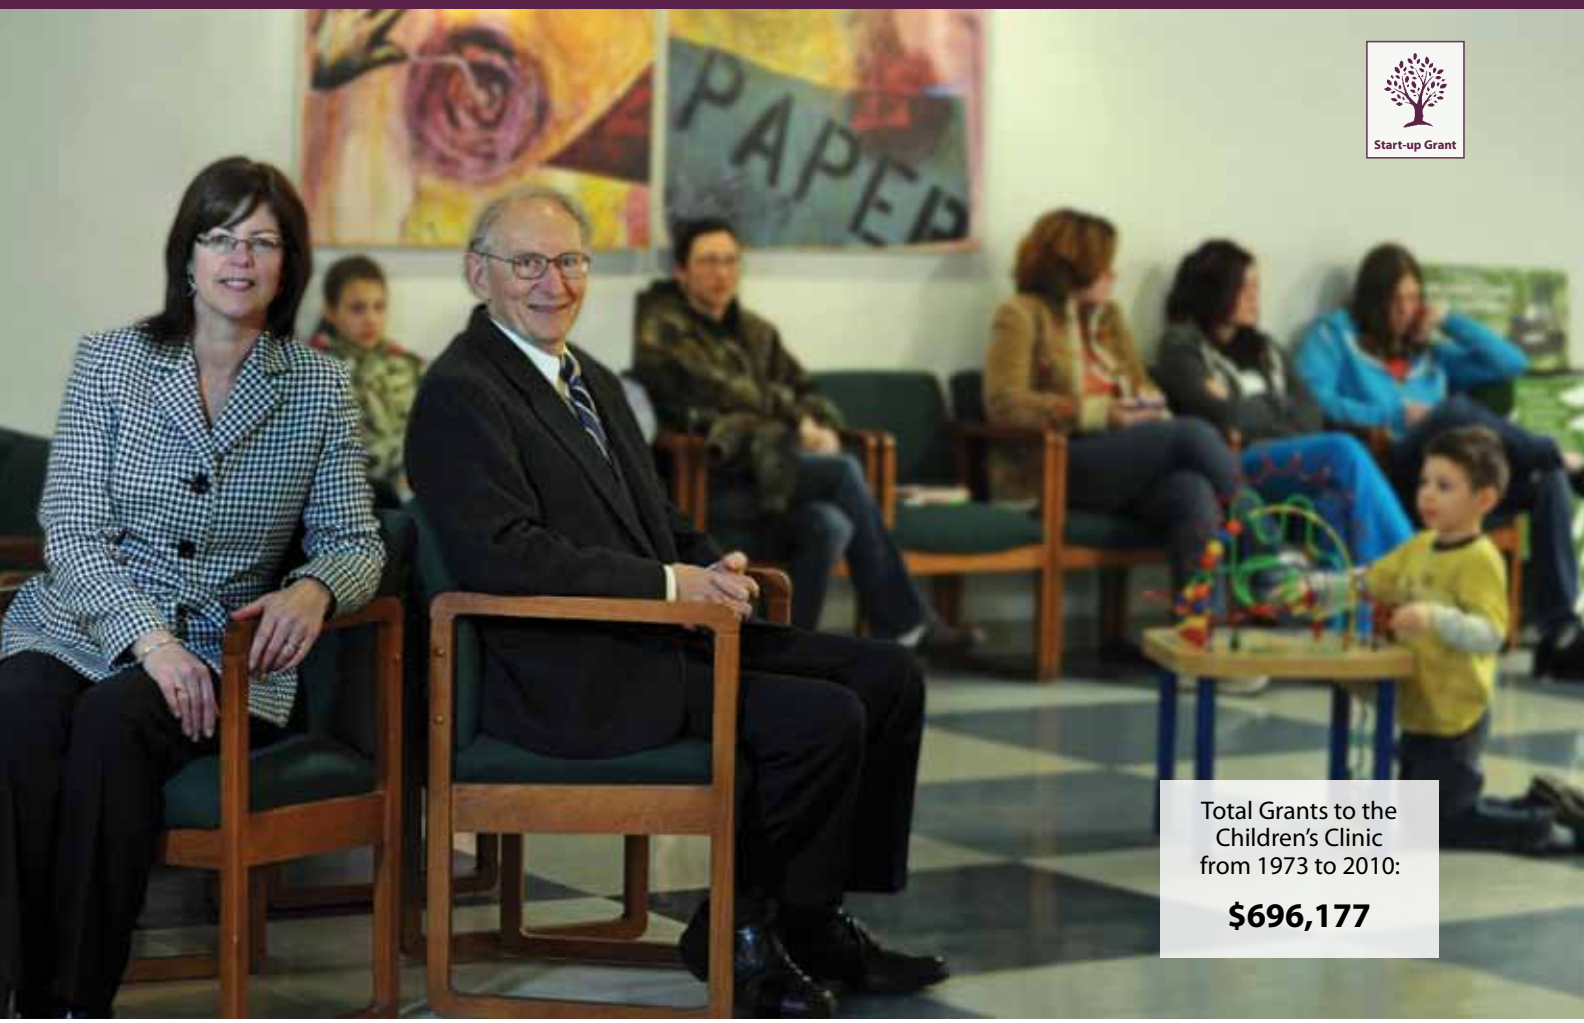
North Country Children's Clinic



Total Grants to the Children's Clinic from 1973 to 2010:

$696,177

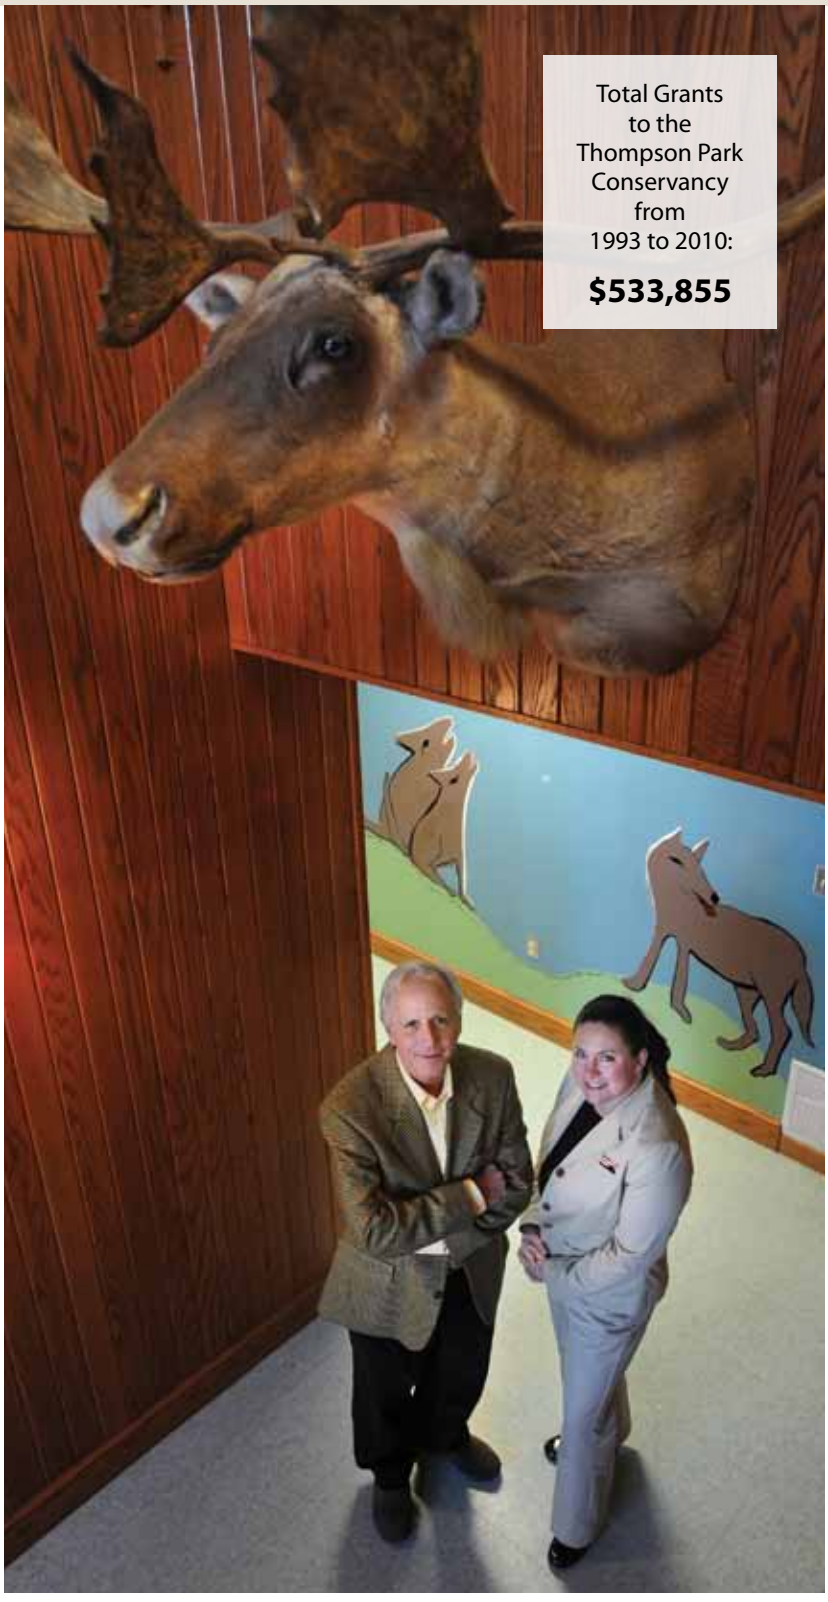
"The Foundation and the Clinic have been successful partners for many years. The Foundation has provided key funding for our most critical projects, including the building project that centralized our Watertown offices, the Lowville dental clinic and our school-based health clinics. Through these generous grants, we have been honored to help the Foundation realize its hopes for a healthier community by providing quality health care for children and families in the North Country."

Christine Powers,
North Country Children's Clinic Board Member

"The Children's Clinic is a fantastic resource for our community. It continues to provide essential medical services to hundreds of north country children. In 2004, the Clinic's services were spread over several locations. When the opportunity to consolidate its services arose, the resounding need was clear and the Foundation responded with a $350,000 grant to aid in providing the Clinic with a new, more efficient home."

Tony Morgia,
Community Foundation Board Member (1995-2005)

Thompson Park Conservancy



Total Grants to the Thompson Park Conservancy from 1993 to 2010:

$533,855

"In 2001, the Foundation recognized that the Thompson Park Conservancy was an important part of our cultural heritage. From total disrepair in the late 1990s to a total transformation today, the Conservancy has both new and renovated buildings, educational programs, high quality exhibits and events and activities for all ages. Because of their example, the Foundation's gift became the first of many transformational grants, showing confidence in an organization for a better community."

James O'Donnell,
Community Foundation Board Member
(1991-2001)

"The Northern New York Community Foundation continues to achieve its mission by helping many organizations such as the Conservancy with vital funds to grow and nurture the North Country."

Doreen Garrett,
Thompson Park Conservancy
Board Member

Hospice of Jefferson County

Total Grants to Hospice of Jefferson County from 1986 to 2010:

$109,268

"Twenty-five years ago, the Northern New York Community Foundation made a significant commitment to invest $100,000 in a new health service that would serve residents in Jefferson and southern St. Lawrence counties. That faith and investment was essential to establishing Hospice of Jefferson County, Inc. Many of the concepts and services envisioned by community leaders since 1929 would not have materialized and thrived were it not for the Community Foundation's belief in, and willingness to contribute toward, innovative solutions that meet evolving needs and improve the region's quality of life. Hospice is continuously evolving to meet patient needs, and remains a true testament to the philosophy and mission of the Community Foundation."

Stephen Jennings,
Hospice of Jefferson County Board Member

Watertown Family YMCA

Total Grants to the Family YMCA from 1971 to 2010:

$936,045

"In the past decade the YMCA has experienced tremendous growth, not only growth in buildings and members but growth in community impact. Through a heightened focus on youth development, healthy living and social responsibility, our YMCA is in the business of changing lives. Throughout this period the Northern New York Community Foundation has helped guide us on the journey through their inspired leadership and generous support. We are able to imagine a better community because of this strong partnership."

If you are interested in a scholarship:

The Foundation annually awards scholarships to high school seniors for their freshman year in college, college sophomores for their junior year and non-traditional students for any year in college or technical school. Students must be enrolled in a full-time undergraduate program.

Applications are available in mid-February online at www.nnycf.org and from our office. Deadline for return is April 1. Rotary Purple Heart Scholarship applications are accepted throughout the year from qualified students in any year of full-time undergraduate study.

Jefferson County Children's Home - Watertown Teen Center

Total Grants to the Children's Home from 1986 to 2010:

$233,172

"Over the years the Community Foundation has assisted the Children's Home in numerous endeavors and has always been pleased with the results of its investment.

The latest collaboration with the Teen Center is another example of how the Children's Home, with the Foundation's support, has used its organizational skills to enable an otherwise well run and important community asset to remain viable."

Mark Purcell,
Community Foundation Board Member (1992-2002)

"During the past 25 years, grants totaling over $230,000 from the Foundation have enabled the Children's Home not only to accept new challenges, but to launch critical aftercare, abuse prevention and school dropout deterrence programs for our young at-risk clients, as well as keep the Teen Center and Big Brothers Big Sisters alive in the North Country. We are a proud partner with the Foundation in building a better future for our community's children."

Robert Gefell,
Children's Home Board Member

FUNDS

The following pages list the more than 300 funds established at the Northern New York Community Foundation during its 82 year history. Each fund has its own purpose and history, but they gain strength from being managed collectively. The Community Foundation is honored to serve as the steward of these funds to make our community stronger today and in the future.

Unrestricted Funds

The Community Foundation depends on unrestricted funds to address the changing needs of our community and facilitate innovative responses. Our unrestricted fundholders have established legacies that provide flexible support to meet challenges and seize the opportunities of tomorrow.

New Funds

We gratefully acknowledge the generous community-minded individuals, families and organizations that have established new funds at the Community Foundation. These funds will benefit the community now and for many generations to come.

Unrestricted Funds

Alex Velto Community Fund

This fund was established by the Northern New York Community Foundation's board of directors in recognition of Alex's dedication and commitment to the Foundation and his steadfast efforts to positively impact the lives of the citizens of the North Country. This permanent fund will be available to support a variety of community initiatives. Working with his family, grants will be awarded that are consistent with the spirit in which he led his life.

Walker Family Community Fund

T. Urling and Mabel B. Walker are well known for their generosity in support of a multitude of North Country organizations and endeavors. Recognizing the honor and joy of giving, the Walkers established a fund which will provide a lasting source of community grantmaking and perpetuate the family's values by giving back to their community.

Designated Funds

Dial Fund for the New York State Zoo at Thompson Park

Morse and Mary Dial have long been known for their generosity. Following Morse's death, in addition to providing support to the Community Foundation's River Fund, Mary designated a portion to provide for future capital needs for Watertown's Thompson Park Zoo.

Shirley Griggs Fund for Samaritan Medical Center

North Country resident and former teacher Shirley Griggs made provisions that, upon her death, a fund would be established to provide an annual source of funding for Samaritan Medical Center. Grants in Shirley's name will be made to Samaritan each year in perpetuity.

Piano Fund for Potsdam High School

Potsdam Central School's Music Friends established this fund to provide a permanent source of support for the care and maintenance of Potsdam High School's grand piano.

In addition to establishing the Alex Velto Community Fund listed above, the Foundation honored his memory by presenting its first Spirit of Philanthropy Award to Alex's family. Pictured, left to right: Bob and Jean Sturtz, award committee; Bill Velto, Jeanne Emery Velto, Rande Richardson; Mabel and Tom Walker, award committee.

Erma Schell Fund

As part of her legacy planning, Erma Schell made provisions for two funds to be established that would perpetually support the Jefferson County Historical Society and the Roswell P. Flower Memorial Library. Each year, these organizations receive a grant in her name to support their operations.

Donor Advised Funds

Grasseroots Fund

Canton residents Peter and Kathy Wyckoff established this fund to benefit the causes they care most passionately about.

Lee T. & Deborah B. Hirschey Fund

Urban C. & Sally K. Hirschey Fund

Renzi Foodservice Fund

The Renzi family established this fund to support community initiatives that fit their organizational mission. The first grant from this fund supplemented the Foundation's efforts to supply 31 food pantries in Jefferson, Lewis and St. Lawrence counties.

Shari Scott Fund

Philip J. & Emily G. Sprague Fund

Joe & Millie Vallelunga Fund

The family of the late Joseph and Mildred Vallelunga established a fund at the Foundation to ensure that other families will not have to endure what they did. Grants from their fund will assist with the implementation of Project Lifesaver in Jefferson County. The program supplies bracelets for Alzheimer's patients and autistic children which transmit a signal to the Sheriff's Department should the person wander away.

New Funds (cont.)

The River Fund

Everett G. Foster had a long affiliation with the Northern New York Community Foundation, including serving as a member of its board from 1985 to 1995. Many organizations benefited from Rett's commitment and passion for enhancing the quality of life for the residents of the North Country. Upon his death in 2010, his family was looking for a way to honor and perpetuate the legacy of giving that symbolized his life's work, but also to provide a permanent fund administered by the Foundation to benefit organizations of the River communities.

Many generous gifts have been made to provide initial funding for this initiative. As the fund continues to grow, it has great potential to positively impact an area of Northern New York that holds great meaning for many. Most recently, memorial gifts were received to recognize Morse Dial's legacy. We thank all who have contributed to the fund (a listing can be found on page 49). Additional gifts to help grow the fund can be made to the Northern New York Community Foundation, 120 Washington St., Suite 400, Watertown, NY 13601. We hope you will consider joining the Foster and Dial families in building this permanent resource for the River communities.

Field of Interest Funds

George R. Davis Fund for Lowville
When George R. Davis passed away in 2010, he had already demonstrated a great commitment to Lewis County. A former Lewis County District Attorney and later County, Surrogate and Family Court Judge, he made a provision through his will to establish a permanent fund to benefit the Town of Lowville. Each year, grants will be made in his name to support projects and organizations in his hometown.

Garrett Loomis Firefighters Fund
In April 2010, a silo explosion took the life of Sackets Harbor Assistant Fire Chief Garrett W. Loomis. This fund was established to provide grants to fire departments to assist with training or equipment for agricultural related emergencies with the hope of lessening the chance of similar tragedies in the future.

River Fund (see above)

Jan B. Oliver Lifelong Reading Fund
Established by James Oliver in honor of his mother, grants will be made in her name, in perpetuity, to support projects and initiatives related to reading and literacy.

Carolyn Whitney Fund
Through a bequest from Watertown resident Carolyn Whitney, this fund provides a permanent source of annual support for tree planting efforts within the City of Watertown.

Scholarship Funds

Sarah Burgoon Memorial Scholarship Fund
Shortly after graduating from Alexandria Central School in 2006, Sarah died in an automobile accident. This fund was established in her memory and will award an annual scholarship to graduating Alexandria Central seniors in perpetuity.

Matt Doheny Scholarship Fund
North Country native Matt Doheny established this permanent fund to support area students but also in appreciation for the Community Foundation scholarship he received in 1988. A scholarship is awarded each spring to a local high school graduate.

Donald J. Grant Scholarship Fund
Donald J. "Dutch" Grant began his career in education in 1946 at Dexter High School. He later become superintendent of the General Brown School District, a position he held from 1972 until his retirement in 1993. He also served as mayor of the Village of Dexter from 1966 to 2007. Through his estate, Mr. Grant provided for a fund that will provide scholarships annually to North Country students in perpetuity.

Kelli Johnson Memorial Scholarship Fund
Kelli was a 1999 graduate of Indian River Central School and died in a motor vehicle accident in 2003. This scholarship fund was created in her memory and is awarded each year to a graduating Indian River student.

Daisy Allard Jamerson & Dorothy Jamerson Eckford Scholarship Fund
Georgia residents David and Hildred Allard established this fund to honor two family members who spent their lives in Northern New York. By doing so, a scholarship is awarded each year to an area student pursuing their higher educational dreams.

Douglas & Helen Murray Scholarship Fund
Doug and Helen Murray and their children have established this permanent fund to provide educational opportunities to North Country students.

North Country Human Resource Association Scholarship Fund
The Association established this college scholarship for traditional and non-traditional students residing in Jefferson or Lewis county, pursuing a business-related field of study.

Janet Ostanek Memorial Scholarship Fund
This fund was created to honor the memory of Janet Ostanek. Ms. Ostanek was a language teacher in the Watertown City School District for many years. It is awarded each year to a graduating Watertown High School student.

Gail Conlin Phillips Memorial Scholarship Fund
Gail Phillips was an educator at Watertown High School from 1968 to 1996. Upon her death in 2007, a fund was created in her memory to honor her teaching legacy. Each year, a scholarship is awarded at graduation ceremonies at Watertown High.

Charlotte J. Smith Scholarship Fund
Charlotte J. Smith, a life-long resident of Carthage, was a mathematics and science teacher in the Watertown City School District from 1962 to 1996. When she passed away in 2009, she left a provision in her will to create a scholarship fund for area students pursuing chemistry at Syracuse University.

Robert J. Tompkins Scholarship Fund
Mr. Tompkins made a charitable bequest that created a scholarship fund for the benefit of women's educational needs.

GIFTS

The Northern New York Community Foundation gratefully acknowledges the gifts of its current donors whose collective contributions provide for the future of our community and its people. **For the purposes of this report, gifts are attributed to the specific fund to which a gift was made and reflect those given through December 31, 2010.**

Friends of the Foundation Fund

We are always thankful to donors who believe in the mission and values of the Northern New York Community Foundation and support us with their generous gifts. Gifts made to the Friends of the Foundation help make all of the Foundation's work in the community possible, including addressing unexpected and changing needs in the areas of health, human services, education, arts, culture, recreation and the environment.

From the Executive Director

Community foundations exist not to perpetuate themselves but to meet the changing needs of the community. We exist only to serve those helping others. This includes not only the organizations that are carrying out that work, but also donors who have a passion for supporting that work. We take pride in our ability to perpetuate legacies of thoughtful giving. There is nothing quite as powerful as the combined effect of community philanthropy. Its unique quality provides our region with the most transformative vehicle to act as a catalyst for positive, sustainable, meaningful change.

Through the generosity of many, the Northern New York Community Foundation has had the honor of helping change and shape lives in the region for over 80 years. Our ability to assist communities and students in three counties has grown because donors have chosen to partner with us to accomplish their charitable objectives. This trust has been earned over a long period of time. We make it a priority to continue to provide you with a well managed, properly stewarded, fulfilling giving experience.

To fully realize the potential that the founders of the organization envisioned will require a steadfast commitment to growing resources to address the ever increasing and changing needs in our three-county area. You might ask, "what difference will my gift really make?" We know unequivocally that the reason we are able to accomplish the depth and breadth of our work and investment is because of the collection of gifts that have been made since 1929.

"Philanthropy starts with a passion to make a difference. Being a philanthropist doesn't require great wealth, simply the desire for a better community."

Giving is an extension of oneself. If you wish to express that giving today or at some time in the future, please take the time to consider how the Foundation can assist in most effectively accomplishing your goals. When you are ready, know that we are here to serve you. As we often say, "You'll find that being a philanthropist doesn't require great wealth, simply the desire for a better community." Please accept our continued gratitude for all you do to help improve the quality of life in the North Country for all of its citizens.

An Investment in **St. Lawrence County**

Although prior to 2008, the Northern New York Community Foundation made periodic grants in St. Lawrence County, since then, the Foundation has been aggressively seeking ways to demonstrate the impact a community foundation can have on a region. Since actively pursuing grantmaking opportunities there, nearly $500,000 in grants and $120,000 in scholarships have been awarded in St. Lawrence County communities.

In addition, the Foundation board now has two seats designated for St. Lawrence County. In 2010, an advisory council was formed and held its first meeting in Canton. Those individuals will continue to help guide the Foundation's work in the years ahead.

Meanwhile, there has been an increased interest from donors who have noticed the Foundation's efforts and are willing to help build upon those investments. As more donors express an interest in supporting and leveraging the Foundation's grantmaking in this portion of our service area, there will be more opportunities to assist with worthwhile endeavors.

Mary Colton, Canton

"The relationship with the Foundation is very important to me. I have both a charitable gift annuity and a donor advised fund. The annuity is a comforting, consistent investment and provides a very reasonable return. The donor advised fund helps me realize my annual giving goals while providing me with an additional layer of oversight."

Peter & Kathy Wyckoff, Canton

"We appreciate that our gifts to local not-for-profits will be in addition to any that the Foundation would be making in St. Lawrence County. Our Grasseroots Fund will be a complement to the Foundation's expanding plans for St. Lawrence County and we are pleased to be a part of that effort."

"We have long admired the work of the Community Foundation, and when the opportunity arose that enabled us to establish an Advised Fund with them, we were thrilled. It enabled us to make a significant tax effective donation that would grow over time with the Foundation's well managed investment funds, and allow us to recommend gifting from this fund over the coming years. In that way we can make the donations to causes that are meaningful to us as the needs arise.

A further benefit is that by connecting with the Foundation staff and Board we become better aware of community needs and have greater confidence that our donations are well deserved. Community needs change over time, often from unforeseen events, and the existence of an Advised Fund makes us able to respond.

We applaud the Foundation for providing this gifting opportunity to individuals as well as for the great support it directly provides to the not-for-profit institutions in the North Country."

Legacy Funds

Since 1929, our principal growth has come from legacies. Donors who understand the importance of a permanent, flexible community endowment have trusted the Community Foundation to carefully steward and distribute their charitable funds for generations. Because of their foresight and commitment to their community, the following individuals have a legacy of thoughtful giving that will continue in their name in perpetuity.

George R. Davis

When George R. Davis passed away in 2010, he had already demonstrated a great commitment to Lewis County. A former Town Historian, Lewis County District Attorney and later County Surrogate and Family Court Judge, he made a provision through his will to establish a permanent fund to benefit the Town of Lowville. Community-specific funds such as this one allow donors to directly impact particular communities, becoming critical tools for realizing initiatives that may not have been funded through the Foundation's competitive grantmaking. The love of community and generosity demonstrated throughout Judge Davis' lifetime will now continue in perpetuity.

Charlotte J. Smith

Charlotte J. Smith, a life-long resident of Carthage, was a mathematics and science teacher in the Watertown City School District from 1962 to 1996. When she passed away on April 29, 2009, she left a provision in her will to create a scholarship fund with the Foundation for area students pursuing chemistry at Syracuse University. Miss Smith was a graduate of Syracuse.

Donald J. "Dutch" Grant

Donald J. "Dutch" Grant was Mayor of the Village of Dexter from 1966 to 2007. He began his career in education at Dexter High School in 1946. He was named superintendent of the General Brown School District in 1972 and held that position until his retirement in 1993. Through his estate, Mr. Grant provided for a fund that will provide annual scholarships for north country students in perpetuity.

Leaving a Legacy to the Community

Charitable bequests are an important way Americans make lasting contributions to their communities. If your will includes a bequest to the Foundation, we thank you for your thoughtfulness. We invite you to inform us if you have named the Foundation so that we may acknowledge you along with the other special people who have made future commitments. The confidentiality of all bequest provisions is maintained. However, if your completed will does not include a charitable bequest, you might consider adding one through a codicil.

Because a charitable bequest is fully deductible from your estate, significant tax savings may result. These savings enable many people to make a charitable gift while preserving most of the legacy they intended for their heirs. You don't need a large estate to make a bequest. It can be of any size and can take many forms.

Some individuals have established living trusts instead of having a will. Such trusts can include charitable provisions similar to other types of bequests.

It is important to provide the exact name of any charity you name as beneficiary so that your gift can be transmitted correctly. For the Foundation, the proper designation is the Northern New York Community Foundation, Inc.

The Northern New York Community Foundation, Inc. serves many donors with a variety of charitable interests. Gifts are tax-deductible and may be made during the donor's lifetime, by bequest in a will, or a combination of both.

- **Charitable Bequests** - A donor designates that the Foundation is to receive a specific amount, a percent of the estate or a piece of property.
- **Charitable Gift Annuity** - In exchange for a gift of cash or securities, a donor receives a guaranteed, fixed annual payment for life. When the annuity terminates, a permanent fund is established in the donor's name. This fund may be used to support a local charitable organization.
- **Charitable Trusts** - Tailor a charitable lead or remainder trust to your unique philanthropic and financial objectives.
- **Outright Gifts** - Any of the above can result in building or establishing the following:

  Friends of the Foundation Fund - Provides an opportunity for the donor to make an annual contribution to the Foundation's programs, or make periodic contributions to the Foundation's community endowment.

  Unrestricted Fund - Designed to meet the future needs of a changing community by providing maximum flexibility for future grantmaking.

  Field of Interest Fund - Ensures permanent support for a special area of interest while allowing future flexibility.

  Nonprofit Fund - Creates a lasting gift in your name to help meet the present and future needs of a designated charity or charities.

  Scholarship Fund - Improve the lives of students with a permanent source for higher education funding.

  Individual or Business Donor Advised Fund - Recommend annual grants for the causes you care about most. If desired, design a family or business grantmaking plan that includes the next generation. Establishing a fund is like having a private foundation - without the administrative work and expense.

  Naming - You may establish or contribute to any of the above funds in your name or your family's name or in memory or in honor of a friend or loved one.

FINANCIALS

Through prudent stewardship of these community assets, we strive to maximize grant and scholarship dollars while ensuring that the funds entrusted to us will continue to grow to support our region in perpetuity.

As of April 30, 2011, the Foundation held total assets of nearly $41 million. The investment portfolio is managed by the Finance Committee and Board of Directors, working closely with local investment managers who monitor several national managers.

The Northern New York Community Foundation raises, manages and administers an endowment and collection of funds for the benefit of the community, built and added to by gifts from individuals and organizations committed to meeting the changing needs of Northern New York.

Guided by donors and representatives from our community, the Foundation makes grants to support the work of non-profit organizations and provides scholarships to individuals in Jefferson, Lewis and St. Lawrence Counties. Donors who establish funds within the Foundation receive professional administration, significant tax savings, and the opportunity and satisfaction of broadly benefiting our community now and in the future.

Your Community. **Your** Foundation.
