Grant application for George R. Davis Fund now available

The grant application for the Northern New York Community Foundation's George R. Davis Fund for Lowville is now available. Through his will, Davis provided a permanent source for projects benefitting the village and town of Lowville. The fund will assist in bringing essential resources to the community. Last year, 16 proposals were received, and the first grants totaling \$9,000 were awarded. The recipients were:

- **Lewis County Office for the Aging** – for purchase of commercial freezer for the Maple Ridge congregate meal kitchen site.
- **Town of Lowville** – toward the repair and resetting of the retaining wall at the Old Lowville Cemetery.
- **Arts Community of Lewis County** – for a four-part film series.
- **Double Play Sports Community Center** – to provide scholarships for their summer enrichment program.

This year, \$10,000 will be awarded to help fund projects in Lowville. The application can be found on our website at www.nnycf.org. The selection committee will be accepting applications until April 26, 2013. Please contact the Foundation with any questions regarding the application.

The Northern New York Community Foundation makes grants to support the work of non-profit organizations and provides scholarships to individuals in Jefferson, Lewis and St. Lawrence Counties. This work is made possible by donors who have established permanent, charitable funds with the Foundation during their lifetimes or through their wills.
