

Northern New York Community Foundation

Gerald Reinman Class of 1954 & Judith Reinman Scholarship

If you wish to apply for the Reinman scholarship, please complete the following questions in addition to the freshman Northern New York Community Foundation application. The Reinman scholarship is largely decided by a student’s work history as well as work ethic. This sheet, along with the Foundation’s application, is due April 15, 2018.

Please note – one of your appraisal forms *MUST* be from a current or past employer in order to be considered for the Reinman scholarship.

Please describe below, in detail, what your responsibilities were for the jobs you listed on page 3 of the Northern New Community Foundation application – please be specific about what you did, the type of work it is/was and be certain we know where you were working.

OVER PLEASE

How would you describe your work ethic?

Tell about a time you went above and beyond in a job, either paid or volunteer.

Please utilize a separate sheet of paper if you feel it will be helpful in assessing your eligibility for this scholarship. Thank you.
