Grant application for George R. Davis Fund now available

The grant application for the Northern New York Community Foundation's George R. Davis Fund for Lowville is now available. Through his will, Mr. Davis provided a permanent source for projects and programs benefitting the village and town of Lowville. The fund will assist in bringing essential resources to the community. Last year, nine proposals were received and grants totaling close to \$10,000 were awarded. The 2013 recipients were:

- **Town of Lowville** – for renovations to retaining wall at Old Lowville Cemetery.
- **Double Play Sports Community Center** – in support of scholarships for its summer enrichment program.
- **Lowville Food Pantry** – to purchase new shelving.
- **Arts Community of Lewis County** – to purchase easels and lighting for presentations and local art shows.

This year, up to \$10,000 will be awarded again to help fund projects in Lowville. The application can be found on our website, www.nnycf.org under the About Us, "News" tab. The selection committee will be accepting applications until April 18, 2014. Please contact the Foundation with any questions regarding the application.

The Northern New York Community Foundation makes grants to support the work of non-profit organizations and provides scholarships to individuals in Jefferson, Lewis and St. Lawrence Counties. This work is made possible by donors who have established permanent, charitable funds with the Foundation during their lifetimes or through their wills.
