Grant Funding Available for Orchestral Performances

The Northern New York Community Foundation invites non-profit organizations or government entities to apply for up to \$20,000 in grant funding for any live orchestral music performances to be held in the Watertown area. The concerts must take place after September 1, 2015, but before July 31, 2016. The fund is made possible through the Community Foundation's orchestral music endowment for Watertown area performances.

Last year, along with additional support from the Community Foundation's board-designated grantmaking fund, organizations such as the Orchestra of Northern New York, Trinity Concert Series, Northern Choral Society and the Sackets Harbor Vocal Ensemble received grant funding for their performances.

The deadline to submit a grant application for consideration is no later than April 17, 2015. For more information, please contact Max DelSignore, Community Foundation assistant director, at (315) 782-7110 or max@nnycf.org.
