

The Mission of the Northern New York Community Foundation

The Northern New York Community Foundation raises, manages and administers an endowment and collection of funds for the benefit of the community, built and added to by gifts from individuals and organizations committed to meeting the changing needs of Northern New York.

Guided by a board of community leaders, the Foundation makes grants to support the work of non-profit organizations and provides scholarships to individuals in Jefferson and Lewis Counties. Donors who establish funds within the Foundation receive professional administration, significant tax savings, and the opportunity and satisfaction of benefiting our community now and in the future.

Lila Bull Summer Arts Academy

We are pleased to illustrate this report with art work from students at the Lila Bull Summer Arts Academy. Founded in 2002 by Mary Ellen Kalil Shevalier, who also serves as its director, the Arts Academy in Henderson Harbor offers classes in media exploration, visual arts, music and dance.

The academy is named after Lila Bull, a long time art teacher and mentor in the South Jefferson area. The Lila Bull Arts Academy was established through a grant from the Foundation, made possible by the estate of Lila Bull who died in 2000 at the age of 92.

Dear Friends,

We are pleased to again share our Annual Report with you.

You will soon discover that this report, while including activity from 2002, takes a look back over the past twenty years. When you view the Foundation only on an annual basis, it is often hard to fully realize the impact that Foundation grants have had on the quality of life in our community. We feel that this impact is best illustrated by following these grants through the lives of children. From childhood through college the Foundation has been the financial backer and often the catalyst for programs which have affected our children's lives. From childcare to scholarships, playgrounds to libraries, healthcare to art programs, the Foundation has invested over eight and a half million dollars in our young people.

There are other major grant recipients who do not fit into specific time frames or categories but whose activities over the past twenty years have affected all who live in the North Country. For example, the Foundation granted \$100,000 to help Hospice get established in 1986 and has continued to support their programs and services; the Disabled Persons Action Organization has received numerous grants to support families and their children; and the Minna Anthony Common Nature Center on Wellesley Island was given funds to help in a major renovation project. Each of these organizations makes its own unique contribution to the lives of our children.

As you look through the report and enjoy the photographs and artwork, we know that you will share our pride and enthusiasm. There is no question that the contributions you have given over the past decades do make a difference.

On behalf of the Board of Directors and our entire community, we thank you for your foresight and generosity.

Making a Gift to the Foundation

The Northern New York Community Foundation, Inc. serves many donors with a variety of charitable interests. Gifts are tax-deductible and may be made during the donor's lifetime or by bequest in a will.

Bequests - A donor designates that the Foundation is to receive a specific amount, a percent of the estate or a piece of property.

Life Income Gifts - A donor makes a gift to the Foundation, in return for which he or she receives income for life.

Gift Annuity - In exchange for a gift of cash or securities, a donor receives a guaranteed annual payment for life. When the annuity terminates a permanent endowment fund is established in the donor's name. This fund may be used to support a local charitable organization.

Outright Gifts - Gifts made during a donor's lifetime can take the following forms:

Friends of the Foundation Fund - Provides an opportunity for the donor to make a contribution to the annual operation of the Foundation's programs, or to make periodic contributions to the Foundation's endowment in a fund named after the donor or his or her family, or in memory of a loved one.

Unrestricted Fund - To be used as the board deems necessary.

Designated Fund - Allows the donor to restrict payment to named charitable agencies or projects.

Advised Fund - Allows the donor to make tax-deductible gifts to the Foundation and then to make suggestions to the Board of Directors for the philanthropic use of the fund.

Leaving a Legacy to the Community

Charitable bequests are an important way Americans make lasting contributions to their communities. If your will includes a bequest to the Foundation, we thank you for your thoughtfulness. We invite you to inform us if you have named the Foundation so that we may acknowledge you along with the other special people who have made future commitments. The confidentiality of all bequest provisions is maintained. If your completed will does not include a charitable bequest, you might consider adding one through a codicil.

Because a charitable bequest is fully deductible from your estate, significant tax savings may result. These savings enable many people to make a charitable gift while preserving most of the legacy they intended for their heirs. You don't need a large estate to make a bequest. It can be of any size and can take many forms.

Some individuals have established living trusts instead of having a will. Such trusts can include charitable provisions similar to other types of bequests.

It is important to provide the exact name of any charity you name as beneficiary so that your gift can be transmitted correctly. For the Foundation, the proper designation is the **Northern New York Community Foundation, Inc.**

Advisor Information

As a professional advisor, you play a key role in increasing the charitable resources of the Northern New York community. One of the simplest and most important questions you can ask your clients is the giving question – *“Are there charitable or community needs you would like to consider in your estate planning?”*

Charitable giving offers specific tax benefits that can assist your clients in achieving financial, personal or business goals. By giving through the Foundation, your clients can receive the full benefit of their contributions while supporting the charities of their choice, now and in the future.

With over 70 years of experience, the Northern New York Community Foundation is a center for charitable giving in the community. Whether your clients are interested in building a tradition of family involvement in charitable giving or in finding an alternative to a private foundation, we can help you address their interests and goals. Since the Foundation is both permanent and flexible, donors are assured that the spirit of their gifts will endure.

The Foundation provides numerous options for establishing charitable funds based on your clients' interests and desired level of involvement. Through a variety of gift planning options, we can help you serve your clients in developing bequests, funds, and trusts that will carry out their unique charitable goals.

For more information or to request a copy of the Advisor Information Packet, please call Alex Velto at the Northern New York Community Foundation, 315-782-7110. The packet covers a range of topics, including what assets donors can use to make a gift, the types of funds and deferred giving options available through the Foundation, and the tax benefits of gifts to a community foundation.

Friends of the Foundation

The Foundation offers donors a variety of ways to achieve charitable objectives. Friends of the Foundation have made gifts during their lifetimes or through their estates.

Lifetime gifts are outright or in exchange for life income. They may be for unrestricted use or to establish in perpetuity a scholarship or fund for a particular organization or area of interest. Some funds permit the donor to make suggestions on the fund's use. Whether through an outright bequest or the establishment of a charitable remainder trust, many have supported the Foundation through their estates.
