

Northern New York Youth Philanthropy Council

An advisory committee of the Northern New York Community Foundation

Council Member Application

The Youth Philanthropy Council (YPC) of the Northern New York Community Foundation instills the principles of philanthropy and community service in the young people of the North Country. Council members are empowered to make a difference in local communities by deepening their understanding of community needs, annual grantmaking and completing volunteer service in local communities. Council members are entrusted with substantial funding from the Community Foundation that allows them to make a profound impact on the quality of life for North Country residents. Adult leaders, Community Foundation staff, and board members serve as advisors to the YPC and mentor its members.

Delegates will be selected from your school to serve a 1-year term on the Youth Philanthropy Council, beginning with the 2021-22 school year in September. **As you determine your interest in applying, understand that your schedule of academic, athletic, extracurricular and personal commitments – current and anticipated – will play a primary factor in your selection to serve on YPC.** Student representatives must be fully committed to serve in the program and make YPC a top priority. Service includes attending evening Council meetings, community activities, and additional activities Council and adult leadership identify.

Return a complete application to your high school's main office no later than Friday, May 21, 2021. Interested applicants will be required to complete a personal interview with the YPC selection committee. Interviews will be conducted at a day/time to be determined.
